HO.. HO.. HO.. FROM YOUR SPARES GROUP

2002 has been a challenging and busy year for the Spares Group. Due to a change in management at Southern Carburettors in Wimbledon, Moreg had to move. Unit 6, Nelson Trading Estate was our home for twenty years. It was amazing just how much rubbish that we had accumulated. We are now in Carshalton, Surrey and have established a Royal Mail P. O. Box as our contact address.

We have experienced some difficulties with Parcel Force and their peculiar attitude to delivering to a P. O. Box. Our advice is to use Royal Mail, which is problem free.

Phil has moved into the "Hi-Tech" age but it is proving to be quite difficult. Slowly he is getting there. So for the fastest response please telephone. In this instance the Email route is likely to be slower.

After ten years we decided to close The Investment Scheme. Once more we would like to thank those investors for their support.

Any member who still has money invested in the scheme must contact Adrian Tyndale and a cheque will be issued in due course.

Any entitlement to free spares will be frozen until such time that they are required.

This year our co-director Ken Johnson expressed his wish to stand down from the Spares Group. We would like to take this opportunity to thank him for his help with Moreg Limited.

On behalf of Phil, Michael, John, Ken, Jill and myself we thank you for your support and wish you all the very best for Christmas and 2003.
