MOREG INVESTMENT SCHEME IS CLOSED

The Scheme was started in January 1992 after Officers of the Spares Group decided to invest their own money in the Group. This additional funding was necessary to maintain and expand the wide range of spares on offer to Club members. Over the ten years of its existence many members of the Morris Register joined the scheme. We would like to take this opportunity to thank all of you for your support.

The scheme allowed members of the Morris Register to invest in their Club. For as little as £100 you could secure future supplies of spares for your vehicle. The scheme was devised primarily to help the Spares Group maintain and extend the large range of spares being offered, by this additional funding. Members were invited to deposit funds (in multiples of £100) with the Spares Group and for a minimum of twelve months. In return the member would receive free spares equivalent to the rate of £7 per £100 invested.

Any member who has invested money in the scheme must contact Adrian Tyndale at the address shown and a cheque to the value of their investment will be refunded to them in due course.

Any entitlement to free spares will be frozen and held until such time that the member requires them. Again please contact Adrian regarding any free spares entitlement.
